

Who we are...

The Georgia Coast Travel Association is a non-profit organization representing the Georgia Coast, one of the state of Georgia's designated travel regions. The Association acts on behalf of a twelve country region including Brantley, Bryan, Camden, Charlton, Chatham, Clinch, Effingham, Glynn, Liberty, McIntosh, Pierce and Ware.

Our purpose is to cooperatively promote TOURISM, Georgia's second largest industry. By developing travel and tourism, the Association serves as a vital component in the overall economic development strategy for the region and the state of Georgia.
